## HAJJ 2025 POLICY AND GUIDELINES

### Hajj Quota and Application Confirmation

- The limited Hajj quota for 2025 will be allocated by the Ministry of Religious Affairs (MORA) after the Government of Pakistan (GOP) announces the Hajj 2025 policy. Hajj applications will be confirmed strictly on a First Come, First Served basis.

### Package Customization

- Customization of packages for double, triple, or quad-sharing in Azizia and Medina is subject to space availability and will also follow the First Come, First Served rule.
- Additional charges for customization will be borne by the pilgrim as per their chosen package.

### Accommodation and Facilities

- Mina:** Services will be provided under Category A Maktab with air-conditioned tents. Separate sections will be arranged for men and women, as per Saudi Arabia's Hajj guidelines. Each 4x4 meter tent will accommodate 16 pilgrims. However, tents may be merged to accommodate 32 pilgrims in a larger space. Provision of additional private wash room is dependent on KIDANA/TAWAF and MOH KSA policy.
- Arafat:** Air-conditioned marquees (split into separate sections for men and women) will accommodate an average of 150 pilgrims in each section.

### Transportation

- Group Transport:** Air-conditioned transport will be available for group movements during Hajj days.
- Private Transport (Optional):** If private transport or train bookings are required (e.g., Makkah to Medina, Medina to Jeddah, or Medina to Medina Airport), additional charges will apply.
- Shuttle Service:** 24-hour shuttle service will operate from the Azizia building to Haram until 7th Z'Hijjah. The drop-off point will be the nearest possible location to Haram as per Saudi regulations.

### Wheelchair Handlers

- Availability of wheelchair handlers is subject to approval from Saudi authorities.
- Charges for handlers are not included in the package and must be paid separately.
- Handlers are available only in Makkah during Hajj days and not in Medina. Pilgrims must arrange their own wheelchairs.

### Walking Requirements

- During the 5 days of Hajj, pilgrims may need to walk long distances, particularly in Mina, due to transportation restrictions imposed by Saudi authorities. This is beyond the control of group organizers.

### Booking and Payments

- Tentative booking will be confirmed upon receipt of a US\$ 2500 deposit, which will be adjusted in the final payment.
- Final booking will only be confirmed upon full payment after the GOP Hajj 2025 policy announcement and availability of official Hajj forms. Hajj payments are non-refundable once the application form is submitted to MORA.

### Regulations and Agreements

- A formal Hajj agreement and official Hajj form will be completed and signed by each pilgrim.
- All pilgrims must comply with Saudi regulations (Taleemat) and the Hajj policies of both the Government of Pakistan and Saudi Arabia.
- A detailed Hajj agreement, as per MORA regulations, must be carried by the pilgrim throughout the journey.

**Note: The entire Hajj operation is subject to the policies of the Government of Pakistan and Saudi Arabia.**
